

SUPPORT ELEPHANTS AND GET A FREE T-SHIRT!

BECOME A MONTHLY ELEPHANTANATICS DONOR

Our generous monthly donors allow us to assist global elephant conservation efforts by educating Canadians about issues of ivory poaching, habitat loss, and the continued exploitation of elephants by humans, and to connect Canadians directly with elephant conservation partners in Africa and Asia.

Anyone who signs up to be a *monthly* donor of at least \$20 a month will receive a free t-shirt of their choice from our product line.

Note- offer only valid for t-shirts.

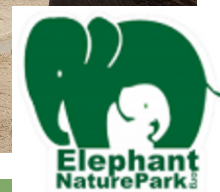

Where will my donations go?

All monthly donations for 2019 will be divided evenly and donated to the MARA Elephant Project to help protect African elephants in the greater Mara ecosystem and the Elephant Nature Park, a rescue and rehabilitation center in Thailand.

How do monthly donations work?

Monthly donations are an easy and effective way to contribute. You can decide on an amount (average donations are between \$5-\$25 a month) and have the donation made automatically through your bank account or credit card.

To become a monthly donor, please visit elephanatics.org and set up your donation on a regular basis by hitting the Donate button on the Homepage.
